To Whom It May Concern:

Signature Painting did a beautiful job painting the exterior of our home. Nick Rasmussen (estimator/salesman) was prompt, courteous and thorough throughout the project. He always got back to me quickly with the answers to questions we had. He provided a detailed estimate and was very knowledgeable. We interviewed and received estimates from 5 painting contractors before choosing Signature. They simply provided the best combination of price and quality.

The job started on time, and most importantly, finished on schedule, as promised. Yama Sekander, the project superintendent, and his crew were friendly, professional, and took pride in their work. When we lost a day due to rain, the team worked on a Saturday to make sure the project finished on time since we were on a tight time schedule. They went above and beyond the call of duty, and it was greatly appreciated. In the end, the house looked brand new and we could not be happier with the end result. We strongly recommend Signature Painting to anyone who is looking for a quality paint job at a very competitive price.

Sincerely,
